### APPROVAL OF STATE ENGINEER

This is to certify that I have examined the foregoing application, and do hereby grant the same, subject to the following limitations and conditions:

This permit to change the point of diversion of the waters of an underground source as heretofore granted under Permit 40166 is issued subject to the terms and conditions imposed in said Permit 40166 and with the understanding that no other rights on the source will be affected by the change proposed herein. The well shall be equipped with a 2-inch opening and a measuring device must be installed in the discharge pipeline near the point of diversion and accurate measurements must be kept of water placed to beneficial use. If the well is flowing, a valve must be installed and maintained to prevent waste. The State retains the right to regulate the use of the water herein granted at any and all times.

The amount of water to be changed shall be limited to the amount which can be applied to beneficial use, and not to exceed 0.75 cubic feet per second, but not to exceed 168.6 acre-feet annually.

Work must be prosecuted with reasonable diligence and be completed on or before June 17, 1983

Proof of completion of work shall be filed before July 17, 1983

Application of water to beneficial use shall be made on or before June 17, 1987

Proof of the application of water to beneficial use shall be filed on or before July 17, 1987

Map in support of proof of beneficial use shall be filed on or before.....

Completion of work filed JUL 19 1983

Proof of beneficial use filed.....

Cultural map filed.....

Certificate No..... Issued.....

IN TESTIMONY WHEREOF, I, PETER G. MORROS,  
State Engineer of Nevada, have hereunto set my hand and the seal of  
my office, this 17th day of JUNE

A.D. 19 82
